HENRY B. SMITH

Inasmuch as a kind Providence has mercifully called our brother, Henry B. Smith from suffering to his reward, we, the members of Intervale Chapter, No. 61 O. E. S., recognize the fact that our Chapter has lost a loyal member whose daily life was an exemplification of the teachings of our order.

Therefore, be it resolved that we extend to our sister, Mrs. Smith, and all the family, our heart-felt sympathy in this great sorrow:

That our charter be draped for three months.
That a copy of these resolutions be sent to sister Smith, placed upon the records of Intervale Chapter, and published in the Orleans County Monitor.

Mrs. Ella Twombly
Mrs. Edna Locke
O. W. Locke,
Committee.

Orleans, Vt., July 9, 1921.

Accuracy in Prescription

Filling has been our claim for years and now that claim has had a check by the State Bureau of Weights and Measures.

The Inspector recently tested our prescription balances and weights and we were informed, that

The Balances were as accurate and sensitive as those used in the Bureau's office at Montpelier.

Out of eighteen weights tested, from 1/4 grain to 1 ounce tray, seventeen are correct. A two scruple weight was a little light and taken by the inspector.

We were informed that the set of weights were unusually good.

This adds to our claim for Prescription Accuracy
